

# A Song in the Night

Words & music by Mark Graham

1. We live in a world that grows dark-er each day,  
2. Though the war-fare is fierce, though the bat-tle seems lost,  
3. So lift up your heart and lift up your-voice;

The storm clouds roll in, the sun fades a-way.  
To be part of God's plan is worth an-y cost,  
Let the fee-ble grow strong, let the wea-ry re-joyce;

But for those God has called there's a work to be done  
And in ev-er-y land ly-ing un-der the sun,  
In the dark-est of times, there's a song to be sung,

*rall.*  
Be-fore the bright light of His King-dom will come.  
Through chil-dren of clay God's great work shall be done.  
Till the day when God's King-dom has fi-nal-ly come.

CHORUS:

Like a song in the night, the good news must be,

Let it fly o'er the earth, let it sail o'er the sea,

Till the whole world has heard of the soon coming King,

A song in the night we'll sing.
